GMT building civil society in authoritarian pdf - Civil society can be understood as the "third sector" of society, distinct from government and business, and including the family and the private sphere. By other authors, "civil society" is used in the sense of 1) the aggregate of non-governmental organizations and institutions that manifest interests and will of citizens or 2) individuals and organizations in a society which are independent ...

GMT Civil society - Wikipedia -

Authoritarianism is a term political scientists use for a worldview that values orderliness and authority, and distrusts outsiders and social change. As a form of government, it is characterized by strong central power and limited political freedoms. Individual economic or personal freedoms are subordinate to the state and there is no constitutional accountability under an authoritarian regime.
