Introduction Architects active in the creation of complex systems frequently use the term Reference Architecture. However, these experienced architects may not have a consistent notion of Sat, 15 Dec 2018 16:34:00 GMT Reference Architectures; Why, What and How - Wordle is a toy for generating "word clouds" from text that you provide. The clouds give greater prominence to words that appear more frequently in the source text. Wordle - Beautiful

Word Clouds - This talk explores three concepts of system in engineering: systems theory, systems approach, and systems engineering. They are exemplified in three dimensions of engineering: science, design, and management. Unifying the three system concepts is the idea of function: functional abstraction in theory, functional analysis in design, and functional requirements in management. Concepts of system in engineering - Creating technologies -
